

1st THERADNET Workshop

“GETTING STARTED & VISION OF THERADNET; CANCER HALLMARKS AND RADIATION RESPONSE”

6th – 8th July 2020 (using Zoom)

Monday, 6th July:

8 - 10PM

SB meeting (Deliverable D6.3)/General Assembly;

Participants: all PIs plus two ESR representatives (Anaís Sánchez Castillo and Anouk Sesnik [deputy]), Project managers (Jonas Oehler and Helge Johannssen)

Tuesday 7th July:

Participants: all THERADNET PIs and ESRs

8:30 – 10:45AM

Welcome address from THERADNET management;

Introduction and general research overview at individual beneficiary sites (10 minutes plus five minutes questions/discussion per beneficiary site)

10:45 - 11:15AM

Individual breaks (offline zoom)

11:15AM - 1PM

ESR pitches 1-5 (Two minutes /ESR)

Two educational lectures (25 minutes plus 10 minutes discussion each):

1st lecture: Tumor sensitization (*Speaker and title TBA*)

ESR pitches 6-10 (Two minutes /ESR)

2nd lecture: Normal tissue protection (*Speaker and title TBA*)

ESR pitches 11-15 (Two minutes /ESR)

1PM - 2PM

THERADNET Organizational Meeting

Wednesday, 8th July: Participants: all THERADNET PIs and ESRs

8:30 – 9:05AM 3rd educational lecture (25 minutes plus 10 minutes discussion):

Adaptation & Escape (*Speaker and title TBA*)

9:05 – 11:05AM Virtual secondment fair:

Breakout rooms in Zoom (small groups of ESRs and PIs discuss internal secondment possibilities); followed by short feedback from individual breakout rooms shared with everybody

11:05 – 11:30AM Individual breaks (offline zoom)

11:30AM – 12:30PM Plenary lecture with career advice (45 minutes + 15 discussion)

Speaker: Pierre Sonveaux, UCL

Title: Modulating tumor radiosensitivity by manipulating cancer cell metabolism

12:30 – 1PM Closing remarks and farewell (*Official end of workshop*)

1PM onwards PIs talk science - *everybody is welcome to join!*
